experience that has helped me deal with my problems.

(Describe in your own words, how watching channel 63 has affected
your life.) I have been able to develop a deeper
relationship with God. I also realized that there are
many other Christians workers around the world
like myself who are sincere in their bringing
hope to a dying world. T.B.N. offers hope to
those who would not have otherwise been hopeful.
The shut ins, the forsaken, the sick and the blind
have all been able to receive a touch from
the hand of God through this unique ministry.
I hope T.B.N. will never go off the air
but remain till Jesus returns.
